

# Touring Fresh Water Creek Farm

## By Bicycle

You can wander the farm on foot by yourself or rent one of our bicycles that are available at the farm. Check in at the front desk for a map and bicycle rental information.

## Jeep Tour

There is a lot to see on the farm, and a lot of ground to be covered in one of the yellow Jeeps that will take you thru the teak and mahogany forests, papaya, coconut, and pineapple fields, you will also drive by and see the hydro lakes, step out of the Jeep and check out the powerhouse with all of the batteries and solar power. As you drive by the powerhouse you will see the lumber mill as well as the drying and processing building. The tour will take you over the mountain trails, visit the river park along Fresh Water Creek. While on your Jeep tour encounter the sheep, cattle, and horse herd.

Check in at the front desk for a map and tour information.
